Education

Khawaja Fareed University of Engineering and Technology

March 2020 – April 2024

Bachelor of Computer Science

Rahimyarkhan, Punjab

Experience

KOT Enterprises

July 2024 – Dec 2024

Front-End Developer Intern

Lahore, Punjab

- Gained practical experience in real-world projects, strengthening expertise in HTML, CSS, JavaScript, and Tailwind CSS.
- Contributed to the JICA AIOU Data Entry Tool, developing and optimizing the frontend interface to improve usability and efficiency.
- Applied responsive design principles to ensure cross-device compatibility and seamless user interaction.
- Collaborated with a team of developers to troubleshoot and enhance UI/UX for better performance.

JDC Foundation

May 2024 – July 2024

Front-End Web Development Course

Lahore, Punjab

- Completed an intensive front-end development course, gaining a strong foundation in modern web technologies.
- Worked on hands-on projects to apply knowledge in HTML, CSS, JavaScript, and responsive design.
- Learned best coding practices and principles of clean, maintainable, and scalable code.

Projects

Clothing Ecommerce Brand Frontend | *HTML, TailwindCSS, JavaScript*

August 2024

- Designed and developed a fully responsive e-commerce frontend, ensuring an optimal user experience across all devices.
- Implemented modern UI/UX principles to enhance navigation, accessibility, and user engagement.
- Focused on cross-browser compatibility, ensuring seamless performance on all major web browsers.
- Utilized Tailwind CSS for efficient styling and rapid UI development.

Admin Dashboard for Lab System | *HTML, TailwindCSS, REact JS*

October 2024

- Developed the frontend of an admin dashboard for a lab system, allowing administrators to efficiently enter and manage patient test details.
- Implemented a clean, user-friendly interface using React.js and Tailwind CSS, enhancing usability and efficiency.
- Ensured scalability and responsiveness, making the system adaptable to different screen sizes and devices.
- Integrated form handling and state management for seamless data input and validation.

Technical Skills

Languages: HTML, CSS, JavaScript

Frameworks and Libraries: Bootstrap, Tailwind CSS, React.js

Developer Tools: VS Code

Technologies: GitHub

Leadership / Extracurricular

Best Debugger

March 2020 – April 2024

Khawaja Fareed University of Engineering and Information Technology

- Best Debugger at KFUEIT (03/2021 - 03/2021)
- Visiospark - COMSATS University ISB (08/2021 - 08/2021).
- Coursework in AMAL - Career-Prep Fellowship (08/2021 - 10/2021)
